

The Italian Forum Cultural Centre proudly presents
Christmas in the Piazza

Some of the traditions of Italy are coming to the Forum at Christmas:

Commedia dell'arte theatre performances: outrageously funny production of Gratta Gratta Pulci-nella on the 15th 16th and 17th December at 4.00 and 6.00pm by the company I Carbonari della Commedia.

Traditional **living nativity scene** performed by children from Leichhardt Public School at 12 noon on Wednesday 13th December and musical entertainment by the school's band.

A special **Christmas Concert** on Saturday 16th December from 4pm:

Traditional **Italian Zampogna** (bagpipes), a 'living nativity scene' performed by Leichhardt Public School, a Commedia dell'Arte production as well as performances by Fort St High School Choir and Fort St High String Orchestra.

PLUS There will be a nativity display in the Italian tradition inside the Cultural Centre.

Come to the Piazza to experience something different and join in with the festive spirit.
